Because Medina Spirit tested positive in a mandatory post-race drug test for the prohibited race-day medication betamethasone, he was disqualified to last and purse money was redistributed by orders of the Kentucky Horse Racing Commission stewards.

@-Maximum Security, owned by Gary and Mary West, trained by Jason Servis and ridden by Luis Saez, crossed the finish line in first and Country House was second. After an inquiry, Kentucky Horse Racing Commission Stewards determined that Maximum Security drifted towards the outside nearing the 5/16-pole while leaving the final turn and meaningfully impacted the progress of War of Will (crossed the finish line in 8<sup>th</sup>), and, in turn, interfered with Long Range Toddy (17<sup>th</sup>) and Bodexpress (14<sup>th</sup>). As was typical procedure for an interference disqualification, Maximum Security was disqualified from first and placed 17<sup>th</sup> behind the lowest-placed horse that he interfered with, Long Range Toddy.

@-Dancer's Image, owned by Peter Fuller, trained by Lou Cavalaris and ridden by Bobby Ussery, crossed the finish line in first and Forward Pass was second. Because Dancer's Image tested positive in a mandatory post-race drug test for a trace of the prohibited medication phenylbutazone (a now legal anti-inflammatory commonly known as bute), he was disqualified by third and purse money was redistributed by orders of the Kentucky State Racing Commission. .H-Horse of the Year HOF (Year Enshrined)=Hall of Fame
